

**USD 223 SCHOOL REACH NOTIFICATION SYSTEM
REQUEST FOR CHANGE OF CONTACT PHONE NUMBERS**

USD 223 has implemented the School Reach system, already in use in many of the school districts nationwide. A brief recorded message from a school official to parents for emergency purposes or for a general announcement will be sent. It takes only a few moments to distribute the information to parents. The system has the ability to call two telephone numbers. These contact numbers have been taken from the student information system at your child's school. If you choose to change the numbers you must fill out the attached form and return it to your child's school.

**Please do not call the school to make those changes.
You will need to fill out the attached form – FOR CHANGES ONLY.**
